## WARRANTS HAVE BEEN WITHDRAWN.

#### Squire Lewis Leaves County Court to Deal With Duke and Crowder.

The warrants against Officer C. D. Duke The warrants against Officer C. D. Duke, charged with using abusive language, and Officer George Crowder, charged with assault, have been withdrawn. In view of the official notice of the affair taken by the County Court Itself, 'Squire Lewis decided yesterday to drop the case, so far as he is concerned. So far as is known Judge Wickham has not as yet announced his decision with reference to the suspension of the two officers.

A rather peculiar case was tried yes-A rather peculiar clase was then year terday before Squire Lewis A negro named George Patterson found \$50 on the street a short while ago. It didn't occur to him that it was necessary to try to find an owner for it, so he got around and hew the money in. In the course of his carousal he assaulted Anna Plunkett and cArousal he assaulted Anna Plunkett and gave her a black eye and some other wounds. Anna helped spend the money. Then both got arrested, and 'Squire Lewis grabbed them. He fined George \$10 for beating Anna and then sent both of them on to the grand jury for falling to seek an owner for the money.

A peculiar feature in the case is that \$20 of the money was recovered, and that the owner of it turned up in court. He could not get hold of the \$20 though. It was filed away as "evidence" in the case.

H. Arvin was tried before 'Squire Lewis, charged with peddling fish without a license. He was fined \$100 and costs.

No session of the County Court was held yesterdny. The docket will be re-sumed to-day.

Leader of Kings County Democracy Thinks His Nomination Inadvisable.

Thinks His Nomination Inadvisable.

(By Associated Press.)

NEW YORK, Sept. 23.—Hugh McLaughin, Democratic leader of Kings county, authorized a statement to-day in view of the conflicting reports circulated for some time regarding the position of the Kings county Democracy on the proposed nomination of Congressman George B. McClellan for the mayorally, that he is willing to say that it is true that the Kings county organization regards the proposed nominettor of McClellan as an advisable because of Mr. McClellan as instimate relation to the leader of Tainmany Hall, and the fact that he is not known to the public as a strong man personalily.

Should Leader Murphy Insist on McClellan's menination in the face of the opposition of King's county, he would in McLaughilin's opinion "Incur a wholly unnecessary risk of defeat at the polls." Kings county, he staid, insists upon nothing except that the nominee shall be a Democrat likely to attract and not repel independent votes; a man whose recognized integrity, whose force of clairacter would furnish assurance to the people that honesty, and not graft, would flourish under his administration."

#### MORGAN PREDICTS VICTORY FOR DEMOCRATS

(By Associated Press.)

MONTGOMERY, ALA., September 23.—
Senator John T. Morgan addressed the
joint session of the Alabama Legislature
at noon to-day on the relative function,
of State Legislatures and Congress.
Since the adoption of the new State
Constitution, said Senator Morgan, there
was less friction between the State and
the national governments than before
within his knowledge—a period of seventy-years.

within his knowledge-a period or sevent-yyears.
Senator Morgan expressed the belief that the debates in the national Congress would reconcile all factions of the Dom-ocratic party and after the party had gotten together the Democrats would elect the next President. Who that man would be, Senator Morgan said, was not a mat-ter of great consideration. He must be an honest man and a man to represent the country.
